SET recommends investors to be careful in trading THRE's securities since Thaire Group Holdings Public Company Limited (THREH) is during the process of listing THREH's securities in place of THRE, which will be delisted from listed securities

As Thaire Group Holdings Public Company Limited (THREH) has made a tender offer for the securities of Thai Reinsurance Public Company Limited (THRE) for corporate shareholding restructuring, at a swap ratio of 1 common share of THRE for 1 common share of THREH, the tender offer period was during September 23, 2026 - November 20, 2026 which was already completed. Currently, THREH is during the process of listing THREH's securities on the Exchange in place of THRE's securities.

Therefore, SET recommends the investors to be careful in trading THRE's securities during this period since THRE's securities will not have secondary market for trading after THREH's securities will be the listed securities on the Exchange in place of THRE's securities, which will be delisted accordingly.
