

SET allows trading on securities of CHARAN during November 17 – December 16, 2025 by purchasing with Cash Balance account

As the securities of Charan Insurance Public Company limited (CHARAN) have been suspended from trading by posting SP (Suspension) sign since August 15, 2025 as a result of failure to submit the financial statements for the second quarter of 2025 by deadline. Currently, the companies are still unable to submit the said financial statements. (Details as shown in CHARAN news on August 15, 2025)

The securities of CHARAN have been suspended from trading and will reach 3-month period on November 14, 2025. For the purpose of granting trading opportunity for investors prior to the renewal of SP sign, SET will temporarily allow trading on the securities of CHARAN for 1 month during November 17 – December 16, 2025 under the following conditions.

1. The securities of CHARAN are required to purchase through cash balance account which means that the investors have to pay the full amount in cash prior to purchasing.
2. NC sign will be posted during such trading period in order to alert the investors to be careful in trading securities.
3. The ceiling and floor prices of CHARAN's securities on the first trading day (November 17, 2025)^{1/} **will not be more than 100% of their last trading prices.**
4. SET will not apply the Auto Pause to the trading of CHARAN securities on November 17, 2025 which is the first trading day, and will maintain such exemptions until an initial trading transaction in CHARAN securities is executed.
5. CHARAN securities will be excluded from the calculation of SET index from November 17, 2025 onwards.

After the end of such trading period, from December 17, 2025 onwards, SET will suspend trading on the securities of CHARAN by posting SP sign until the companies are able to completely submit the financial statements as required.

SET recommends investors to trade the securities of CHARAN with caution and carefully study information such as historical news, financial positions, operating results, type of auditor's report, major shareholders, board of directors as well as risks and other related factors. In addition, in order to facilitate the access of information for investors, SET has summarized preliminary information of the latest financial statements together with types of auditor's reports and the latest annual registration statements (Form 56-1 One Report) that the company disclosed via SET's Disclosure system. The investors could study the key information through the link : <https://www.set.or.th/en/market/product/stock/quote/CHARAN/company-profile/information>

November 12, 2025

^{1/}If there is no trading of the securities of CHARAN on November 17, 2025, the ceiling and floor prices limit criteria will be valid until trading of the securities occur.
