

## **SET allows trading on the securities of 8 listed companies during June 4 – July 3, 2026 by purchasing with Cash Balance account**

As the securities of 8 listed companies have been suspended from trading by posting SP (Suspension) sign since March 4, 2026 as a result of failure to submit the financial statements for the year ended 2025 and will reach 3-month period on June 3, 2026. Currently, the aforementioned companies are still unable to submit the required financial statements.

<b>SET</b>	<b>mai</b>
AKS Corporation Public Company Limited (AKS)	Cho Thavee Public Company Limited (CHO)
Millcon Steel Public Company Limited (MILL)	East Coast Furnitech Public Company Limited (ECF)
Samchai Steel Industries Public Company Limited (SAM)	Home Pottery Public Company Limited (HPT)
	Meta Corporation Public Company Limited (META)
	M Vision Public Company Limited (MVP)

In order to allow trading on the securities prior to the renewal of SP sign, SET will temporarily allow trading on these securities during June 4 – July 3, 2026 (1-month period) under the following conditions as follows:

1. The securities are required to purchase through Cash Balance account which means that investors must pay the full amount in cash prior to purchasing.
2. NC sign will be posted during such trading period to alert investors to be careful in trading the securities.
3. The ceiling and floor prices of the securities on the first trading day (June 4, 2026) <sup>1/</sup> **will not be more than 100% of their last trading prices.**
4. SET will not apply the Auto Pause of the trading of the securities on June 4, 2026 which is the first trading day and will maintain such exemptions until an initial trading transaction in the securities is executed.
5. The securities will be excluded from the calculation of SET Index or mai Index, as applicable.

After the end of such trading period, **SET will suspend trading on the securities by posting SP sign from July 6, 2026 onwards until the companies are able to submit the required financial statements.**

SET recommends investors to trade the securities with caution and carefully study the securities' information such as financial positions, operating results, type of auditor's report, major shareholders, board of directors, historical news as well as risks and other related factors. In addition to facilitate the access of information to investors, SET has summarized preliminary information of the latest financial statements together with type of auditor's opinion and the latest annual registration statements (Form 56-1 One Report) that the companies disclosed via SET's disclosure system. Investors can study the key information as detailed on the following page.

<sup>1/</sup>If there is no trading of the securities on June 4, 2026, the ceiling and floor prices limit criteria will be valid until trading of the securities occurs. After the trading of the securities occurs, the ceiling and floor prices of the securities will be subsequently adjusted to normal criteria from the next business day. Dynamic Price Band will not be applied until the ceiling and floor prices have been adjusted to normal criteria.
