

## SET allows trading on securities of TSR and TTCL during April 21, 2026 – May 20, 2026 by purchasing with Cash Balance account

As the Stock Exchange of Thailand (SET) has announced that the securities of TSR Living Solution Public Company Limited (TSR), TTCL Public Company Limited (TTCL), and WSOL Public Company Limited (WSOL) are subject to possible delisting, as the financial statements for the year ended 2025 show negative equities, and posted NC (Non-Compliance) sign and SP (Suspension) sign on these securities since March 10, 2026. Subsequently, TSR and TTCL have disclosed their business rehabilitation plans. The details are summarized below.

Symbol	The business rehabilitation plan	Disclosure Date
1. TSR	The company plans to improve its financial position by negotiating debt restructuring, divesting certain non-core assets, and seeking partners for capital increase, as well as revising sales strategy and expanding customer base.	April 10, 2026
2. TTCL	The company has filed for business rehabilitation with the Central Bankruptcy Court, with plans to increase capital and grant debt to equity conversion to creditors, reduce expenses, and restructure organization and management team.	March 20, 2026

Therefore, SET will allow trading in the securities of TSR and TTCL during April 21, 2026 – May 20, 2026, under the following regulations and conditions.

1. The securities of TSR and TTCL are required to purchase through cash balance account which means that the investors must pay the full amount in cash prior to purchasing.
2. NC sign will be posted during such trading period to alert the investors to be careful in trading securities.
3. The ceiling and floor prices of TSR and TTCL's securities on the first trading day (April 21, 2026)<sup>1</sup> **will not be more than 100% of their last trading prices.**
4. SET will not apply the Auto Pause to the trading of TSR and TTCL's securities on April 21, 2026, which is the first trading day, and will maintain such exemptions until an initial trading transaction in these securities is executed.

After the end of such trading period, from May 21, 2026, onwards, SET will suspend trading in the securities of TSR and TTCL by posting SP signs until the companies are able to eliminate the grounds for delisting and repossessing the qualifications to resume trading. If the companies are unable to rectify the causes within specified period, SET may consider delisting the securities of the companies accordingly.

However, WSOL has not yet disclosed its plan to eliminate the ground for delisting within the timeframe specified by SET. Therefore, SET will not allow trading in WSOL's securities until the company is able to notify SET of such plan.

SET recommends investors to trade the securities with caution and carefully study information of each company such as historical news, financial positions, operating results, type of auditor's report, major shareholders, board of directors as well as risks and other related factors. In addition, to facilitate the access of information for investors, SET has summarized preliminary information of the latest financial statements together with types of auditor's reports and the latest annual registration statements (Form 56-1 One Report) that the company disclosed via SET's Disclosure system. The investors could study the key information through the link below.

<sup>1</sup> If on April 21, 2026, any securities are not traded, the ceiling and floor prices limit criteria will be valid until trading of the securities occur. After the trading of the securities occurs, the ceiling and floor prices of such securities will be subsequently adjusted to normal criteria from the next business day. Dynamic Price Band will not be applied until the Ceiling and Floor prices have been adjusted to normal criteria.
